

## Pilgrims of Apulia, between MARTA and Ilva Taranto

Last leg of the trip by Michele Venitucci, actor, along with his friend Domingo Milella, photographer, the rediscovery of (their) Puglia

It's time to unveil the plans. The photos and the personal narrative of Domingo them read a short but, day by day and step by step, you may have guessed the way in this journey.

We started from the outskirts of Bari anonymous and decadent, then, through the traces of the past - dolmens, Castel del Monte, dinosaur footprints to the Museum of Archaeology - Today we conclude the circle with the industrial area of Taranto, the alienation of man modern.
